

Spás

- ⇒ Rinne mé stáidéar ar an scéal ‘Spás’ le Michael O Ruairc.
 - ⇒ Is é téama _____ an téama is láidre sa scéal seo.
 - ⇒ Gan dabht, feictear go leor samplaí den mhothúchán/ téama/ tréith tríd an scéal seo.
-
- Ag tús an scéil, bhí Padraigín sona sásta lena saol sa bhaile agus ar scoil.
 - Bhí a spás féin aici.
 - Sa bhaile, bhí a seomra codlata féin aici freisin.
 - Mar sin, bhí sí abálta léamh nó éisteacht leis an raidió aon uair ba mhaith léi.
-
- Ach trí mhí ó shin, rugadh a deartháir óg Peadar agus dá bhrí sin, tháinig athrú ollmhór ar a saol.
 - Anois, caithfidh sí a seomra codlata a roinnt lena deirfiúr agus mar sin, níl aon phríomháideacht aici.
 - Caithfidh sí dul ina codladh ag a deich a chlog ag an deireadh seachtaine.
 - Anuas air seo, dúisíonn Aoife í ag a seacht a chlog ar maidin lena playstation glórach.
 - Cuireann sí isteach uirthi.
 - Chomh maith leis sin, ní féidir léi stáidéar a dhéanamh freisin mar bíonn Peadar ag caoineadh agus ag gol an t-am ar fad.
-
- Níl aon faoiseamh aici ar scoil freisin.
 - Bogadh í go barr an ranga mar bhí sí ag féachaint amach an fhuinneog.
 - Bhí spás aici ag bun an ranga.
 - Níl Pádraigín sásta ar scoil, ní maith léi stáidéar a dhéanamh.
 - Cuireann a tuismitheoirí a lán brú uirthi freisin.
 - Is dócha go bhfuil sí i ndeireadh na feide freisin.
-
- Ní raibh sí sásta lena saol ghrá freisin.
 - Bhuail sí le buachaill álainn darb ainm Diarmuid an samhraidh seo chaite nuair a d’fhan sí lena seanmháthair faoin tuath.
 - Nuair a chuaigh sí ar ais go dtí an chathair, chuir a tuismitheoirí stop léi ag scríobh litreacha chuige.
 - Mar sin, bhí a croí briste agus bhí brón an domhain uirthi.
-
- Is léir ó na pointí thuas go bhfuil le feiceáil sa scéal seo .
